BINGO MUSICAL

ANNÉES 2010

75 tubes · 50 cartes uniques · prêt à imprimer

Pop, électro, rock et hits français

La soirée nostalgie parfaite entre amis

Note de Nostalgie, Son de bonheur

Jeu non affilié aux artistes ni à leurs labels. Musique non incluse : utilisez votre propre abonnement de streaming.

Comment jouer

Ce qu'il vous faut

- Les cartes imprimées (une par joueur), un stylo ou des jetons.
- Un téléphone ou une enceinte avec votre application de musique (Spotify, Deezer, Apple Music…).
- La fiche de l'animateur (dernières pages), pour cocher les titres joués.

Avant la partie

- L'animateur crée une playlist avec les 75 titres de la fiche, puis active la lecture aléatoire.
- Chaque joueur reçoit une carte. Toutes les cartes sont différentes.
- La case centrale est offerte : elle est cochée d'office.

Pendant la partie

- L'animateur lance un titre et le laisse tourner 20 à 30 secondes.
- Si un joueur reconnaît le morceau et qu'il est sur sa carte, il le coche.
- L'animateur coche chaque titre joué sur sa fiche, pour pouvoir vérifier les cartes.
- Astuce : ne dites jamais le titre à voix haute, c'est tout le jeu !

Comment gagner

- Manche 1 : une ligne complète (horizontale, verticale ou diagonale).
- Manche 2 : les quatre coins.
- Manche 3 : carton plein, toute la carte.
- Le gagnant crie « BINGO ! » et l'animateur vérifie sa carte avec la fiche.

Variantes

- Mode karaoké : pour valider une case, il faut chanter le refrain.
- Mode expert : on coupe la musique après 10 secondes.
- Mode équipes : une carte pour deux, idéal pour les grands groupes.
